President's Corner:

A quick note to all members that we will be meeting this coming Wednesday, September 5th.

At this moment, I haven't established much of an agenda but if you have any subject to bring up for discussion, let me know as soon as possible, either by email or at the start of the meeting.

Quite a few things have happened to our members so we can spend a bit of time sharing stories of "How we spent our summer vacation".

Doc Bob converted his GlaStar to a tricycle landing gear as all good airplanes should be, Ha! I think that the GlasStar is a pretty plane especially when it is sitting on tricycle gear (editorial comment)

There are a few flyins that I've received notice of. I'd like to get some of our member to hopefully participate.

Winter Haven Fly-in ---Nov 10th
AirJam'07 ----(4 th annual Deland Aviation Jamboree,) October 27-28 2007

Stay safe and remember to keep the blue side up.
