The Chapter meetings are held on the first Wednesday of the month.

All meetings are open to anyone with an interest in building, restoring, and flying airplanes. The normal monthly meeting will be held at the Chapter's hanger which is the old Aerotel hanger located on the south side of the American Aviation hangars. Meetings start at 7:00 PM. There's ample parking on the ramp in front of the hanger. Please note that the Chapter does not meet during the months of July and August.

President's Corner: We finally moved into the Chapter's hanger. Edgar and Jim have set up shop and are well organized to continue their work whereas I still have stuff from my old hanger sitting in a disorganized lump. Sharing the hanger is me (Pulsar), Edgar (LongEZ), Jim (Tailwind), Charles (RV-9A), Tom Longo (Kolb) and Billy Futrell (Kolb). Jim the Hanger Boss and Edgar have the planes positioned as you would see on an aircraft carrier hanger deck.

Will the loss of Greg Frey, the family asked if we could work on a scholarship in Greg's name to help a student attending an aviation university. Since Greg's two sons graduated from Embry Riddle I have been in touch with their financial office to see what their recommendations are.

We will have a guest speaker at April's meeting.

We will have one person at the CAP building to ensure that everyone who might show up there will be directed to the hanger. Further we will have a person at the automobile gate, at American Aviation, to provide access onto the ramp so they can drive up to our hanger's ramp. Please do not go onto American Aviation's ramp but drive straight to our hanger.

Look forward to seeing you all there

Bernie

Chapter Meeting Minutes: Our Meeting started at 7.10. We had 15 Members and 4 Guests present. The guests were Jim Wright, Rich Dalton, Doug Duncan and Nancy Messineo. Welcome aboard Nancy.

Edgar proposed some Hangar rules. We are also working on some field trips for the local students to the Hernando county Airport.

Our Guest Speaker for the night was Doug Duncan from Metro Crime Bureau. Doug talked about crime prevention and also demonstrated some crime protection tools.

We finally have our Chapter Hangar. Edgar gave the kitchen a paint job Jim Doan finished the stairway for the top of the office. With the stairs we will be able to store a lot of stuff up there.

The meeting was a short one and adjourned at 8.30.

Don't forget our next meeting will be at the chapter hangar.

Respectfully submitted
