The Chapter meetings are held on the first Wednesday of the month. All meetings are open to anyone with an interest in building, restoring, and flying airplanes. The normal monthly meeting will be held at the Chapter's hanger which is the old Aerotel hanger located on the south side of the American Aviation hangers. Meetings start at 7:00 PM. There's ample parking on the ramp in front of the hanger. Please note that the Chapter does not meet during the months of July and August.

President's Corner:

Greetings members. If the summer is behind us, why does it still feel like summer?

Sorry for being a little behind on this newsletter. The next meeting we will have a report on the Chapter BBQ held on September 20th. Overall the event was a success but there were some lessons learned. We need to process what we learned before we have another event. We had guests from all over the state which filled up American Aviation ramp. It was like ITA ramp at Christmas.

Our next meeting will be Wednesday October 1st. Coffee, donuts, discussion.

Bernie
