**C**hapter meetings are held on the first Wednesday of the month.

All meetings are open to anyone with an interest in building, restoring, and flying airplanes. The normal monthly meeting will now be held at the Airport Administration Building located at 15800 Flight Path Drive on the west side of the Airport FedEx building.

Meetings start at 7:00 PM. There's ample parking in the front of the building. Please note that the Chapter does not meet during the months of July and August.

Any questions on meeting location, call Bernie or Edgar.

---

**President's message:** Greetings Chapter members. Hoping everyone survived the few frigid days and nights we had recently. We had some beautiful flying weather recently; I hope anyone who could was able to fly.

On January 17<sup>th</sup> we flew 27 Young Eagles from Central High School NROTC Cadet program.

The LSA Expo was held on January 23<sup>rd</sup> to the 25<sup>th</sup>. Jim Doan and I flew down on Saturday the 24<sup>th</sup>. There was quite a bit of fly in activity to report. Jim and I had to park on the east side of the field and take a 6 miles shuttle ride to the exhibit area.

There was quite a collection of new airplanes considering the state of the economy. If only I had the money, sigh. I'll have some brochures with me at the next meeting.

See you at the next meeting on February 4th. Remember that the next meeting will be held at 7:00PM at the new airport administration building; 15800 Flight Path Drive, next door to the FedEx building. See you then.

Bernie

**Sectary's report:** After the pledge of alliance we had some reports on our member's projects. Edgar got his new Dynon 180 finally in the plane and working.

There is also another ultra light plane for sale in Hangar #33. This is an estate sale. Lynn and I looked at the plane and we feel that is a nightmare to get involved with that lane.

We are planning another fly in Lunch on March 14<sup>th</sup> with a rain date of the 15<sup>th</sup>.

Jim Wright is building another LSA and his current plane is on the market soon

Lynn Postel made the motion to accept the new Officers as proposed, Jack Ohle second it. Also Jack Ohle our Public Information Officer and as such he will try to get us some quality speakers.

The Airport Manager, Don Silvernell offered space, in the new administration building, to conduct future meetings there. We talked about it for a bit and decided that we will give it a try out. If we like it we should do them there all the time so there will be less confusion.

On 01/10/2009 we did another Young Eagle flight and had 7 Pilots flying. It went very well and fast. A lot of big smiling faces.

Our guest Speaker for January's meeting was Steve Raiser. He was dynamite.

The meeting was adjourned at 9.00pm.

Respectfully submitted

Edgar Flaig Secretary
