Chapter meetings are held on the first Wednesday of the month.

All meetings are open to anyone with an interest in building, restoring, and flying airplanes. The normal monthly meeting will be held, at the Airport Administration Building located at 15800 Flight Path Drive, on the west side of the Airport FedEx building/

Meetings start at 7:00 PM. There's ample parking in the front of the building. Please note that the Chapter does not meet during the months of July and August.

Any questions on meeting location, call Bernie or Edgar.

Message from the President

Greetings Chapter members. I hope that everyone will be able to attend the October 7th meeting. We are going to be talking about Young Eagles that we will be having in October.

All persons are invited to attend a fly in/drive in breakfast at the "Flying W" airpark (9FL1) in Bushnell.

It's with sadness to hear that Edgar placed a for sale ad in Barnstormers for his Long EZ.

We have added several new members to the Chapter over the past month so please welcome Christopher Washington and Lance Forsythe. Christopher is in the final stage of putting his Trike together and is moving into the gang hanger.

During the past month Jim Wright and Jim Doan got their airworthiness certificates. Jim and Jim can fill us in on their flight status at coming meeting.

Jack Ohle, our meeting speaker coordinator has enlisted one of our Chapter members to talk about his time spent, while in the Service, in Greenland. John "Rock" Rockcastle who was set to speak at the next meeting had to push back one month due to a scheduling conflict. Rock is set to speak at our meeting in November.

Secretary's Report

The September the 2nd meeting started at 7.00 PM. We had 15 members and 2 guests, Tania Longo and Keith Shaw.

The YMCA had a summer camp at the air port. As part of their tour of airport, Bernie Berger, Tom Hall and Tom Longo participated by showing the children their Airplanes and answering any questions they had.

It was announced that we have a new FBO coming to the Airport on the east end of the field. The FBO will offer a self service fuel pump service.

In order to accommodate more people on our fly in Lunches the membership voted to buy more tables and chairs.

Jim Doan and James Chorvat took a camper to Oshkosh this Year. James returned with a treasure of photos which he put together into great slide presentation of the trip.at the meeting.

The meeting adjourned at 9.30pm.The next meeting will be on Wednesday October the 7th.at the new Airport building at 7.00 PM. Hope we see you all there.

Respectfully submitted

Edgar Flaig, Secretary.
