Chapter meetings are held on the first Wednesday of the month.

All meetings are open to anyone with an interest in building, restoring, and flying airplanes. The normal monthly meeting will be held, at the Airport Administration Building located at 15800 Flight Path Drive, on the west side of the Airport FedEx building/

Meetings start at 7:00 PM. There's ample parking in the front of the building. Please note that the Chapter does not meet during the months of July and August.

Any questions on meeting location, call Bernie or Edgar.

Message from the President

Greetings Chapter members. Our Young Eagles event went off cleanly. Everyone performed as they were briefed. The Ground Safety Crew kept the loading areas safe. Our Young Eagles were escorted to the planes and the returning Young Eagles were offloaded safely. Everyone working together kept the flow moving smoothly without any wait times. The pilots kept to the agreed on flight paths so any possibility of an airspace incident was preempted. Thanks to Lynn Postal for taking on the role of Air Boss. Not only did he act as Air Boss but he flew quite a few of Young Eagles in the Cardinal that had been owned by Art Vouthoris.

We have added several new members to the Chapter over the past month so please welcome Lance Forsythe, Devon Felger, Skip Erickson, Keith Shaw and Falk Nicolaus. **Note:** If anyone knows Devon Felger and Skip Erickson's phone numbers, please let me know.

Christopher Washington had assembled his Trike which was stored in the Gang hanger for the past month. The other day Chris moved the Trike to a nearby hanger in anticipation of buying and co-locating a second LSA, with an enclosed cockpit.

November is here and with that the flyins are scheduled. This weekend we have a fly in/drive in breakfast at the "Flying W" Airpark (9FL1) in Bushnell. The following weekend, our Chapter has its own fly in scheduled. The wrap up plan will be covered at the next meeting on November 4th. Please plan to attend; we will need all the help to have a successful event. November 14th is the Annual Winter Haven Airport Association Flyin.

Chapter business will consist of the deciding on the "Gone West" plaque names and dates. We have two names but need the dates.

We have nominations for 2010 Chapter Officers. We are looking for fresh talent who is willing to step up to the plate and serve for a year

Jack Ohle, our meeting speaker coordinator has enlisted "Rock" Rockcastle a CFI who works with the FAA (Lakeland) and is an instructor at Simcom in Orlando.
